

Because of You by Kelly Clarkson

I will not make
The same that you did
I will not let
Cause my so much
I will not
The way you did, you
I've the hard way
To never let it get that far

.....
I never stray too far from the
Because of you
I learned to play on the safe side
Because of you
.....not only me, but around me
.....

.....
And it's not too long before you point it out
.....
Because I know that's in your eyes
I'm forced to fake
.....every day of my life
.....can't possibly break
When it wasn't even whole to

.....
.....every night in your sleep
.....
You should have known better than to lean on me
You never thought of anyone else
.....
.....in the middle of the night
For the same damn

Because of you
Because of you
.....

Because of you I never too far
Because of you I learned to play on the safe side so I don't get hurt
Because of youjust to
Because of you
I don't know how to let anyone else in
Because of you
.....because it's empty
Because of you I am afraid
Because of you

Because of You by Kelly Clarkson

I will not make
The same mistakes that you did
I will not let myself
Cause my heart so much misery
I will not break
The way you did, you fell so hard
I've learned the hard way
To never let it get that far

Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I find it hard to trust not only me, but everyone around me
Because of you I am afraid

I lose my way
And it's not too long before you point it out
I cannot cry
Because I know that's weakness in your eyes
I'm forced to fake
A smile, a laugh, every day of my life
My heart can't possibly break
When it wasn't even whole to start with

I watched you die
I heard you cry every night in your sleep
I was so young
You should have known better than to lean on me
You never thought of anyone else
You just saw your pain
And now I cry in the middle of the night
For the same damn thing

Because of you
Because of you
Because of you I am afraid

Because of you I never stray too far from the sidewalk
Because of you I learned to play on the safe side so I don't get hurt

Because of you I try my hardest just to forget everything
Because of you
I don't know how to let anyone else in
Because of you
I'm ashamed of my life because it's empty
Because of you I am afraid

Because of you
