

## Only Teardrops by Emmelie De Forest

The ..... is .....  
We're on the edge .....  
No shooting ..... to guide us

....., why tear each other apart?  
....., why do we make it so hard?  
Look at us now, we only got ourselves to blame  
.....

.....?  
How many times can we break the rules between us?  
Only .....

.....?  
How many times till we get it right between us?  
.....

So ..... and ..... me now  
Here on the stage tonight  
.....

Eye for an eye, why tear each other apart?  
Please tell me why, why do we make it so hard?  
Look at us now, we only got ourselves to .....  
.....

Tell me, how many times can we win and lose?  
How many times can we break the rules between us?  
Only teardrops

How many times do we have to fight?  
How many times till we get it right between us?  
Only teardrops

(Tell me now) .....between us has come between us  
Only teardrops  
(Tell me now) What's gone between us has come between us

How many times can we win and lose?  
How many times can we break the rules between us?  
Only teardrops

How many times do we have to fight?  
How many times till we get it right between us?  
Only teardrops, only teardrops

Only teardrops  
Only teardrops

How many times can we win and lose?  
How many times can we break the rules between us?  
Only teardrops

How many times do we have to fight?  
How many times till we get it right between us?  
Only teardrops

## Only Teardrops by Emmelie De Forest

The sky is red tonight  
We're on the edge tonight  
No shooting star to guide us

Eye for an eye, why tear each other apart?  
Please tell me why, why do we make it so hard?  
Look at us now, we only got ourselves to blame  
It's such a shame

How many times can we win and lose?  
How many times can we break the rules between us?  
Only teardrops

How many times do we have to fight?  
How many times till we get it right between us?  
Only teardrops

So come and face me now  
Here on the stage tonight  
Let's leave the past behind us

Eye for an eye, why tear each other apart?  
Please tell me why, why do we make it so hard?  
Look at us now, we only got ourselves to blame  
It's such a shame

Tell me, how many times can we win and lose?  
How many times can we break the rules between us?  
Only teardrops

How many times do we have to fight?  
How many times till we get it right between us?  
Only teardrops

(Tell me now) What's gone between us has come between us  
Only teardrops  
(Tell me now) What's gone between us has come between us

How many times can we win and lose?  
How many times can we break the rules between us?  
Only teardrops

How many times do we have to fight?  
How many times till we get it right between us?  
Only teardrops, only teardrops

Only teardrops  
Only teardrops

How many times can we win and lose?  
How many times can we break the rules between us?  
Only teardrops

How many times do we have to fight?  
How many times till we get it right between us?  
Only teardrops
